

You cannot 66 exhaust creativity. The more you use it, the more you have.

> Maya Angelou, American poet and writer

Creativity describes — in general terms — the capacity of an individual or a group to imagine or build and implement a new concept, a new object or to discover an original solution to a problem.

#### **COMMANDEZ CHEZ MCDO.**

On n'aurait jamais pensé vous demander ça un jour. Tout comme on n'aurait jamais pensé vous encourager à commander chez KFC, Quick, OTacos, Domino's Pizza, Subway, Eat Sushi, Pizza Del Arte, Hippopotamus, Pitaya, Sushi Shop, Big Fernand, Mamma Primi, Chez Michel, Le Bistrot Basque, Café Kokomo, Yima... et tous les autres restaurateurs indépendants qu'on ne peut malheureusement pas citer ici. Bref. chez tous nos confrères de la restauration (rapide ou moins rapide).

On n'aurait jamais pensé vous dire ça, mais aujourd'hui les restaurants qui emploient des milliers de salariés ont aussi besoin de votre soutien.

Donc si vous souhaitez les aider, continuez à vous régaler à la maison grâce à la livraison, à la vente à emporter, et aussi au drive. Avec un Whopper c'est mieux, mais si c'est un Big Mac c'est déjà pas mal.

## HOW TO STAY CREATIVE?

#### More and more content

There is more and more content being published on the networks. On YouTube, 500 hours of videos are published every minute and more than 1 billion people publish stories every day.

#### Artificial ntelligence

All is improving day by day and it is essential not to miss the latest tools to optimize your work.

#### Similar brandings (with tools

Many brandings look the same with the tools pushed by Al, Canva, etc... it is important to be able to stand out these days.

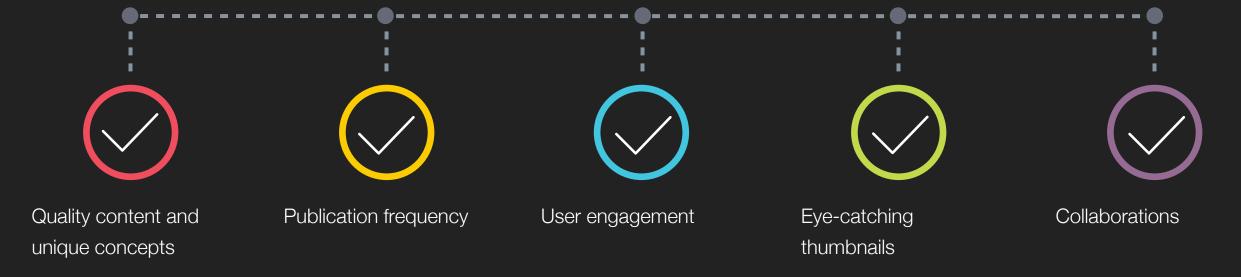

## Content overload at SEO level

It is essential these days to stand out on less loaded and more precise SEO keywords.
